National Lockdown – Further Information

Notice to all residents of Mount Grace

Due to the National Lockdown that will be in effect from 26 March 2020 until 16 April 2020, Mount Grace will be completely occupied throughout the day and night for these 3 weeks.

As a result, the Trustees of Mount Grace would like to remind all residents to ensure that they follow the House Rules (which can be found on the Mount Grace website) as well as to be respective of all your neighbours especially with regards to noise levels.

The Trustees of Mount Grace would also like to take this opportunity to inform all the residents that any further communication regarding special arrangements during this time will be posted on the Mount Grace website (<http://www.mount-grace.co.za>).

The Managing Agent of Mount Grace's office will be open, however they will also be observing the National Lockdown and will be working remotely. Please understand that this will not be optimal but the Trustees trust that they will work to the best of their ability under the circumstances.

We hope everyone remains healthy and safe during this time, and we thank you for your cooperation.
