National Lockdown – Rubbish Bin Removal

Notice to all residents of Mount Grace

In light of President Cyril Ramaphosa's announcement of the National Lockdown which will be in effect from 26 March 2020 until 16 April 2020, the Trustees of Mount Grace requests that each resident of Mount Grace take necessary action each week regarding the disposal of rubbish bin contents.

As the garden services are not required work-force during this time, it will fall on to each unit within the complex to remove their rubbish bin contents to the collection area each week by Tuesday 10am, so that it can be removed.

The collection area will be made available outside the main gate of Mount Grace, where the dustbins normally are at the side of the road for collection. We ask that each unit please take only black bags out to this area, and not dustbin units.

We hope everyone remains healthy and safe during this time, and we thank you for your cooperation.

Mount Grace Trustees
